

SNOW  
**LUIS**

The JN Luis is a complete new concept of snowkite with an increased effective profile to enhance performance for freeriders exploring their white passion.

Luis

# FACTS

Equipped with a simple bridle construction and a sophisticated 4 line setup with reliable safety function the kite will satisfy all skills from rookies during their first free rides to experts doing freestyle moves or hang gliding. With its small packing size it's the perfect companion for hiking to lonesome powder beats. Although developed for snowkiting this kite satisfies also at hard grounds e.g. mountains or buggy terrains.
